Councillors and members of the public are advised that under the Openness of Local Government Bodies Regulations 2014, members of the public are permitted to photograph, film, broadcast, and report on the meeting, subject to the efficient running of the meeting not being disrupted.

Due to the continuing Covid Emergency the Parish Council have decided that the June meeting will be of minimal content & length. There will be no public discussion session during the meeting. Legislation enabling online meetings ended May 7th, but with Covid related restrictions still in place the Council was advised by Northamptonshire Assoc of Local Councils that this is the best course of action until restrictions are lifted.
